VILLAGE FAME — A good, red son of Red Oak Type out of a highly bred horned cow. This is a smooth, good-doing kind of a calf. He has a lot of weight for age. He is a good deep red and should make a very good bull when he gets a little more age.

(Above footnote by V. B. Fagin when we bought Village Fame as a calf in October 1951 show and sale at Sedalia, Mo.) Our heifer crops carry some imported blood and we wish to remain Polled and are consigning him. The calves by him so far are rugged, smooth, even colored and Polled. His disposition has been excellent with us.

A Man With A Cow Herd

The best place to have your money invested today is in good land and in good livestock. If you are a farmer or a rancher your livelihood is in the production of food.

The production of beef cattle provides flexibility of management, demands less labor than other livestock and can be turned into ready cash in an emergency.

is Really Never Broke.

A herd of Shorthorns or Polled Shorthorns will make efficient use of your grain and pasture and roughage. On today's market, Shorthorns and Polled Shorthorns are **THE BEST BUYS IN THE BEEF CATTLE BUSINESS.**

Today, they will give you profit and pride; and tomorrow they will give you security and satisfaction . . . for a man with a cow herd is really never broke!

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring 1 $\frac{1}{4}$ pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.
